

**Preliminary Amendment of U.S. National Stage for International Application
PCT/EP00/06161 filed July 1, 2000**

REMARKS

Claims 19-37 are currently pending in the instant application.

The Specification has been amended to delete the original section headings and to insert the preferred section headings pursuant to 37 C.F.R. §1.77. A new Title of the Invention has been inserted. An Abstract of the Disclosure, in accordance with the disclosure, has been added. It is submitted that the amendments to the Specification made herein introduce no new matter. All of the amendments to the Specification constitute deletions of original section headings and/or paragraphs, and insertions or additions of new section headings and/or paragraphs. Accordingly, pursuant to 37 C.F.R. §1.121(b)(1)(iii), no separate page captioned "VERSION WITH MARKINGS TO SHOW CHANGES MADE" is necessary. A separate page containing a clean copy of the Abstract of the Disclosure has been attached for the Examiner's convenience. Entry of the amendments to the Specification made herein are therefore proper and respectfully requested.

Original claims 1-18 have been canceled and replaced with new claims 19-37 solely for the purpose of improving clarity and grammar, which may suffer in translation, and not for any reason which relates to the statutory requirements for a patent. New claims 19-37 have not been added in response to any rejection, nor in anticipation of any rejection. Applicants respectfully submit that the scope of new claims 19-37 generally corresponds to the scope of original claims 1-18, and that new claims 19-37 are no narrower than original claims 1-18. Furthermore, although a moot point in view of their cancellation, Applicants respectfully submit that original claims 1-18 satisfied the requirements of 35 U.S.C. §112, as filed. New claims 19-37 are supported by the claims as originally filed and in the Specification, for example, at page 3, lines 14-34; at page 6, lines 19-34; at page 7, lines 12-37; at page 12, lines 13-17; and in the Examples. No new matter has been introduced. All of the amendments to the Claims constitute cancellation of original claims and the addition of new claims. Accordingly, pursuant to 37 C.F.R. §1.121(c)(1)(ii), no separate page captioned "VERSION WITH MARKINGS TO SHOW CHANGES MADE" is necessary. Entry is therefore proper and respectfully requested.

**Preliminary Amendment of U.S. National Stage for International Application
PCT/EP00/06161 filed July 1, 2000**

Prompt examination of the instant application in view of the amendments made
herein is respectfully requested.

Respectfully submitted,

ANDREA HEILEMANN, et al.
